

Проект „Интеграция на глобалните проблеми по околна среда в процеса на регионално развитие в България“

*Project Integrating Global Environmental Issues into Bulgaria's Regional Development Process*

---

**11 Jul. 2008**

Results from the procedure for selection of a Team Leader for the Assignment "Midterm Evaluation under Integrating Global Environmental Issues into Bulgaria's Regional Development Process (Rio Conventions Project)" announced on 21 May, 2008.

A total of 61 high-quality applications were submitted within the announced Deadline 23 June, 2008. These applications were reviewed by the Evaluation Committee comprised of representatives from: UNDP, MRDPW and the Rio Conventions Project using a number of criteria, including:

- Practical working experience with GEF/UNDP and other relevant result-based management evaluation and adaptive management systems;
- Practical working experience with and expertise in the cross-cutting area of environmental protection and regional development / spatial planning;
- Demonstrated experience with multilateral or bilateral supported capacity development projects;
- Quality of the proposed approach and methodology to be used for the evaluation;
- Familiarity with SEA, regional development and spatial planning policies in Bulgaria and/or CEE/NIS region
- Proposed fee for the assignment.

In accordance with the applicable UNDP criteria and procedures the evaluation committee awarded the contract to **Mr. Jean-Joseph Bellamy, Canada**.

The Evaluation Committee decision is final.
