

providing opportunities for everyone

Select the most appropriate answer from the drop-down list

-  1 Does your project target individuals who are disadvantaged or socially excluded?
-  2 Have you researched the particular needs & requirements of your target group?
-  3 Have you consulted with excluded groups (or organisations representing such groups) in the development of this project?
-  4 Does your project encourage the participation and involvement of excluded groups?
-  5 Will your project address or help overcome social barriers to participation (e.g. through childcare provision, flexible training, etc.)?
-  6 Will your project help overcome economic barriers to participation (e.g. transport costs, time off work, etc.)?
-  7 Will the project address and help overcome gender stereotyping?
-  8 Is your project linked with other similar initiatives in the area to help provide a joined up and integrated service to those most in need?
-  9 Does the project use innovative techniques and methods to engage with those who are socially excluded and help ensure that ESF reaches those in greatest need
-  10 Will the project help build capacity in local communities to help them address their own needs ?
